

200 CLUB

The 200 Club is the Phoenix's monthly draw where you could currently win up to £100. The club has been set up to allow all fans, their families and friends, to join in and help raise funds for the Phoenix team. The money raised will be used to help support the team throughout the season.

Our aim is to reach the maximum of 200 members; Manchester Phoenix is pleased to continue the Phoenix 200 Club for the 2014/2015 Season.

How the club works:

1. To become part of the Phoenix 200 Club pick up an application form from the Supporters Club desk, or download it from www.phoenixsupporters.co.uk/200club.
2. Current prize money stands at £100.00 to the winner, £50.00 2nd prize and two 3rd prizes of £25.00. The prize amount will rise with an increase of participants.
3. For maximum prize money 200 members will be required.
4. Each member pays £8.67 per calendar month per entry which entitles them into the end of the month draw.
5. Payments can only be collected by standing order payable on the first of the month.
6. Everyone that has fully paid will be entered into the monthly draw.
7. We propose to announce the winners on match night, where the draw will take place during a convenient interval break. Results will be published on the Supporters Club website, facebook, twitter and the following week in the match night programme (during the season).
8. The 200 Club will run for the entire year. Out of season winners will be sent a cheque by post.

**PLEASE NOTE THIS IS OPEN TO ANYONE OVER 18 WHO WISHES TO JOIN.
GOOD LUCK**
